C S E T I

10 August 1995

Dear Mr. Dorskind,

Thank you for your letter of 3 August 1995.

Mr. Laurance Rockefeller and I have been working together on this issue for over 18 months, and he will be seeing the President at his ranch in Jackson WY soon (I have very fond memories of being there with Laurance in the fall of 1993 - it is a wonderful and spiritually refreshing spot). At his request, I have conveyed to him a package of evidence, assessments and other documents to share with the President.

Please know that I am available to answer any questions regarding this evidence or the subject in general, and am willing to come to the JY Ranch on very short notice, should this be helpful to the President or his staff. Be assured that our entire network of scientists, astronauts and researchers are at your service.

I will be with the family in Palm Beach FL from 12 August-19 August and can be reached at [REDACTED] Otherwise, the unlisted home phone number is [REDACTED] and cellular, [REDACTED] b(6)

Also, I will be in Washington D.C. August 30-September 3 for the 50th anniversary of the U.N. meetings going on there and will be staying at the conference site, the D.C. Grand Hyatt.

Wishing the President and First Family a renewing and much deserved vacation at the Ranch,

Sincerely,

Steven M. Greer M.D.
Director of CSETI
